

About CCW

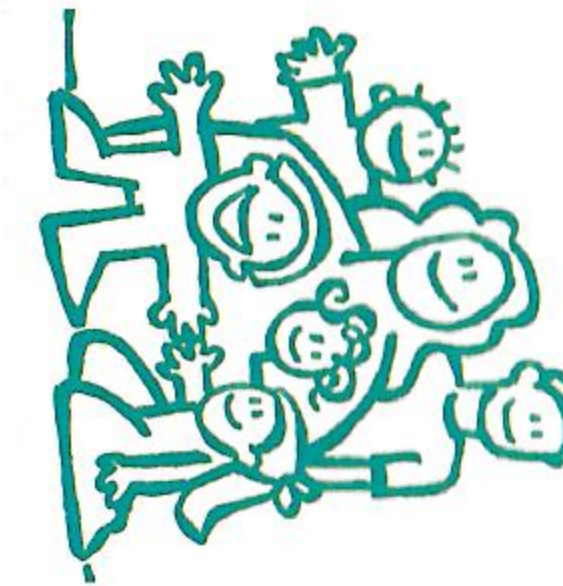

Chappaqua Children's Workshop (CCW) was established in 1982. We are a non-profit, tax-exempt organization registered by the New York State Department of Children and Family Services. We provide an exciting educational experience for children before and after school in the Chappaqua School District. Our highly qualified professional staff is composed of certified teachers, many with Masters degrees, with a low student/staff ratio. CCW's hours of operation are 7:30am to school start time and 3:15pm to 6:15pm.

Our Philosophy

Our Philosophy is to create a warm, safe, supportive and enriching environment in which each child's social, emotional, cognitive and physical development is encouraged. Special attention is always given to each child's individual needs (an initial interview may be requested with the family prior to placement in a program to determine how the child's needs can be met in our setting). CCW offers four different programs for children entering the elementary schools - a Before School Program, an Afterschool Program as well as a "Drop-In" Program.
